

# Wilmore Wastewater Pipe Replacement Project

## *Important Notice: No Street Parking*

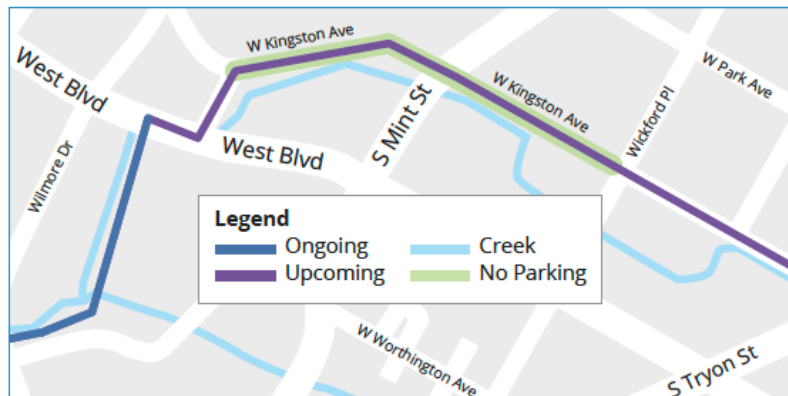

**WHAT:** Contractors for Charlotte Water will continue construction work for a wastewater pipe replacement project in the Wilmore neighborhood and will begin pipe installation along W. Kingston Avenue. During construction, residents are advised to not park along the street.

**WHERE:** This phase of construction will begin on W. Kingston Avenue at W. Worthington Avenue and will continue to Wickford Place (*see map*).

**WHEN:** Beginning the week of May 28. Work should take 2-3 months to complete.

**DETAILS:** During construction, street parking is prohibited, and motorists should follow all traffic control signs to navigate around the work, including lane closures on W. Worthington Avenue and W. Kingston Avenue. Access to all homes will be maintained.

Charlotte Water thanks residents for their patience during the project construction. We understand the disruption some residents may experience.

**QUESTIONS:** If you have questions, please contact project manager Matt Bedford, 704-336-1009 or [mbedford@charlottenc.gov](mailto:mbedford@charlottenc.gov). For more project information, visit the project website at [www.charlottewater.org](http://www.charlottewater.org) (click on "projects").
